## 12. Write a message to your future students and host families

For my future students:

I hope you're ready to work with me and your fellow students to learn and stretch your mind.

For my host families:

My name is Rani and I would like to describe myself with this letter. It was always a great dream of mine to live and work in a foreign country and I am excited that it will become a reality soon.

I am a creative and ambitious young woman, one of my best characteristics is my tolerance. Nowadays it's very important to be tolerant because there are so many different countries and traditions
